Next Meeting: Julie Snyder "Portraits that Capture a Moment In Time"

"Painting is my path to a world where entire stories can be told through a captured moment in time."

—Julie Snyder

Julie Snyder is a sought-after artist in the Southern California figurative art scene. "I paint the figure, finding my subjects in many walks of life and I bring them into the studio to model. I love to recreate an impressionistic environment on the canvas that tells a story."

Julie's intimate portraits are more than the traditional "head and shoulders" as she unerringly finds the special quality that makes each individual both unique and multifaceted.

In this session, Julie will show us how she paints wet on wet with a balance of loose and tight brush work and how she uses color and light to create

interest and focus. Julie has graciously agreed to paint a portrait of this month's raffle winner. Please come early and purchase your raffle tickets!

Quick Tip: Inspiration For a Masterpiece

What can you do when you're not feeling inspired? Take a walk, smell the fresh air, take in the beauty of nature. When you're back in the studio, play your favorite music while painting. You may be surprised

how music can inspire your painting. And don't forget to visit a museum or gallery. Viewing other works of art can really help to inspire you to paint that next masterpiece.

President's Message

The Spring Salon is right around the corner. We have a much larger venue than we had for the Fall Salon last October—allowing artists to enter up to eight paintings and these can be large paintings—up to 48” in width. Now is the time to start pulling your work together for this major show—and party.

Harpist, Xavier Montes, will be back with us, appropriately, as his wonderful repertoire of Mexican folk songs is the perfect accompaniment for our Spring Salon reception, which falls on *Cinco de Mayo*.

The Spring Salon venue is the Citibank Gallery in Silverlake, a very artist-friendly community. We are encouraging

our members to turn out in a big way for this show and support our donation to the Silverlake Public Library for the good work they do. This is a members-only show but we are also welcoming non-members who can join for \$20 at the time of artwork take-in. These memberships are good through September, when yearly memberships renew.

As most of you know we have to leave the Brand Art Studios, which are to be renovated over the next two years. **Our next meeting on April 11, 2012 will be held in the Sparr Heights Community Center**—a landmark building with

excellent facilities. There is sufficient parking around the building on both sides of the street. Looking forward to seeing you there.
