Next Meeting: Beth Summers "Techniques for Expressive Palette Knife Painting"

In this demonstration, Beth Summers will show you how you can paint expressively with a palette knife.

Beth takes her paints wherever she travels, at home or far away places like Brazil, Chile, Greece, Africa, Argentina, Russia, Peru, Germany,

Hungary, and Peru. From her show in the Galapagos Islands, Astronomy magazine published her painting of the solar eclipse, along with photographers on the trip.

Along with her credentials in psychotherapy, education, and music, Beth says, "I love to paint in oils with a palette knife in an ur-

gency to see what the colors of nature will do as they dance on my canvas."

Beth has published a book of her paintings and poems, *Gathering of Getaways*. For information, go to: <http://blurb.com/books/2006782>

You can also enjoy Beth's work overlooking the creek where she lives and paints by attending her upcoming exhibit at Creekside Studio Gallery, October 20 and 21.

President's Message

Dear GAA Members,
 Our Fall Salon 2012 is upon us once again. We are looking forward to your participation in this competition, which is open to all artists, both members and non-members of the Glendale Art Association. The show opens on Oct 4th and its reception is on Sunday Oct 7th—closing date is Oct 27th.

We need you to get the word out to your clients and friends to come to Whites Art Framing and Restoration gallery in Montrose to see this wonderful exhibition of art. Last years Fall Salon 2011 was a beautiful show and well attended. If you haven't done so yet, pick up invitation postcards at Whites to mail out to art lovers you know—and prospective buyers.

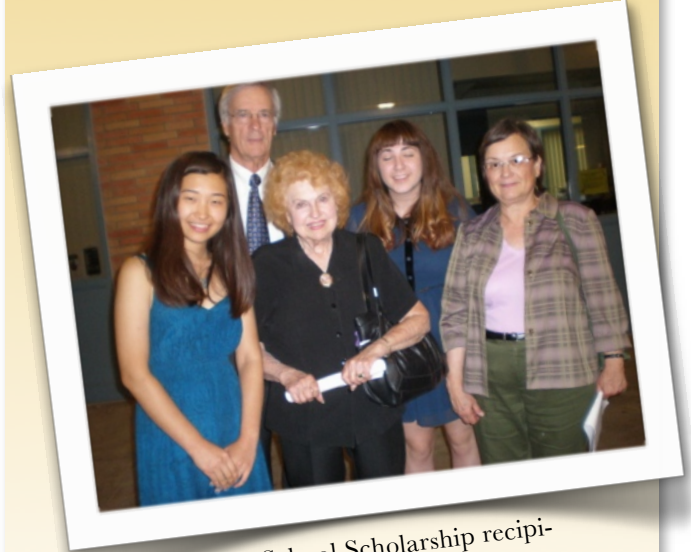

There will be a new feature at the Fall Salon 2012, a continuously changing video display of member's artwork. You can have up to 10 works displayed this way for the duration of the the show—in addition to the three actual works you have in the show. It is great exposure and only costs ten bucks.

We have a terrific demonstrator for our monthly meeting on Oct 10: Beth Summers. Beth will be showing us her virtuosity with the palette knife by painting an exciting Seascape. Not to be missed!

Don't forget to bring a painting for the the mini show at the Oct 10 meeting..

QUICK TIP Working from Photographs

- Compose your photo so you don't have a lot to rearrange when you start your painting. Working from a well composed photo will resolve a lot of your problems and you can better concentrate on painting and not rearranging your subjects and composition.

- Use a monitor or a tablet, such as an iPad, to view your photo. You'll get a much better look at the colors by using it than you will be printing it on paper.

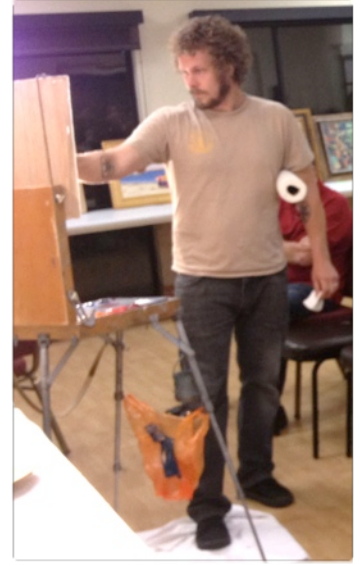

- If you do print out your image to work from **BE SURE AND USE PHOTO PAPER**. Printing it on regular paper will give you a dull and practically useless reference to work from. Spend the few cents on paper and save yourself the aggravation of having to look at a poorly reproduced photo.
