October is Srboohie

Abajian. Srboohie works in monotype. She captures the mood and character of her subjects primarily through the element of line preferring working in monotype for its uniquely expressive quality of line.

# President's Message

September's meeting was most enjoyable. Bruce Trentham did a marvelous painting in soft pastels. It was auctioned off and Marie Bezjian was the lucky winner.

The Fall Salon is showing from Oct 2nd to Oct 28th. Make sure you and your friends check it out.

We had a nice turnout at Far Niente restaurant on Tuesday, Sept 16. Fifteen percent of proceeds from diners who said they were with the "Art Club" will be remitted to GAA and San Fernando Valley Art Club. For this first showing of 27 works, the two clubs worked together and split the proceeds. October's display of work in Far Niente will all be from GAA and we will plan a Fund raising night to make a

few bucks for the scholarship fund. By the way, the food is very good there and remember that there is no corkage fee!

We will be working with the City of Glendale to display work with the GALA project. This is a project to display art work in empty storefronts, similar to the old GATE program. We will keep you posted as this opportunity develops.

We have a great demonstrator for next meeting on October 9th.

See you there,

- Dick Heimbold

# News from the Art World

**Vroom: The Art of the Motorcycle** is an exhibition that will offer an in-depth look at the dynamic history of motorcycle culture, featuring rare and collectable vintage motorcycles; hand-painted helmets, motorcycle gas tanks and fenders; as well as paintings, sculpture and photographs by a dozen of today's most celebrated motorcycle artists. At the Forest Lawn Museum through January 5, 2015.

**Impermanence** brings together seven artists whose work manipulates and reintegrates cast-off materials, memories, and forgotten spaces and places. The ideas of consumption, renewal, and transformation are explored in painting, photographs, video and sculpture as the artists respond to the transient nature of life and matter. Few things last forever, but from impermanence come striking works of art that have the power to engage us both emotionally and intellectually. At the Brand Library through November 7, 2014.

# Members' News

**Dick Heimbold** has just published a novel, "Dream Wrecks". Here is an excerpt from actor/author Jim McMullan's review:

"A riveting adventure of a fine artist struggling with the emotional aftermath of war, caught in a web of intrigue and suspense as he fights to survive and come to grips with his own demons and those of his captors. Drug lords, a lovely señorita, thugs, government agents and suspense fill the pages as the hunt continues ... "

".... Dick Heimbold reaches deep into his own roots as an accomplished artist, coloring the pages with excitement, flourish and finesse. I highly recommend this fast-moving page turner."

It is available from Amazon in paperback or Kindle version.

**Vicky Rees** was selected to paint a utility box in Montrose as part of Glendale's "Beyond The Box" Phase II public art project. Eleven boxes will be turned into public art on October 25th, in conjunction with The Big Draw LA.

**Hector Fernandez** received a Silver Award in the open category in the 3rd Annual Exhibit of the International Society of Scratchboard Artists (ISSA).

In the "Better Late than Never" category: June meeting winners were (pictured below from L to R): Third Place: Diana Carter, First Place: Steve Mills, Second Place: Dick Heimbold, Best of Show: Patty O'Hearn.

## Do you want to exhibit at Far Niente?

If you would like to be considered for inclusion in the collection of works on display for the October and December shows, please send an email to: [glendaleassociation@gmail.com](mailto:glendaleassociation@gmail.com) with 1 - 5 photographs of your work in the body of the email. Please mention Far Niente in the subject line of your email and limit the size of the images to 3MB each. PDF Attachments and image files larger than 3MB will not be accepted. Please include your name and contact information and the following for each piece submitted: size, medium, title, and price.

The deadline for submissions for the December show (GAA members) is October 22nd.

November and January will be SFVAC months. There is room for some large works and figure works for the bar area.

## ART FROM THE ASHES

The local non-profit arts organization, ART FROM THE ASHES, is sponsoring temporary installation art exhibits in the City of Glendale. Installations are scheduled to begin during the first part of November based on the theme: YOU ARE HERE. Significant sites will be chosen within the City. Eight artists/installations will be funded over the period of a year, ending in December, 2015. Stipends to cover costs ranging from \$500 to \$5,000 will be awarded.

GAA member, Michael Sheehan, has submitted a modest proposal for the Service Station in the Adams Square Mini-Park in South Glendale. This is the same site where several GAA artists were included in the July Fourth Project in 2012. Should Sheehan's installation proposal be accepted, artists will be recruited to help realize the project. Artists will be paid a small honorarium for work that should take no more than one day. Glendale Art Association members will be given first priority. Interested artists may contact Michael at [laotzu41@yahoo.com](mailto:laotzu41@yahoo.com).

Deadline for entries was September 8th. Artists receiving awards will be announced about November 1st, 2014.
