Next Meeting Demonstrator: **Steven Seizo Nakamura**

Steven Seizo Nakamura, a California artist has created a new medium for his art works – wine. Mr. Nakamura began experimenting with the possibility of "Fine Wine" as a painting medium since he was drawn to the brilliant colors of this unusual organic staining compound. He explored the flavors of wine through its pigmentation and concentration and his paintings are alive with all of the subtle variations that you would expect from the uniqueness of each grape varietal, and style of wine-making.

Steven studied fine art and illustration at CSUN and has recently opened his new art studio "Ancient Vine Studio" in Long Beach. He also conducts Wine Tastings for Trader Joe's Market.

President's Message

January is renew your membership month! Get your \$40.00 in the mail today, if you haven't already. P.O. Box 413, Glendale, CA 91209. You don't want to miss any of these events!

This month has some fabulous opportunities for GAA! We are lucky enough to have had a party scheduled for the first thing in 2015. They say what you do at the first of the year foreshadows what will happen the rest of the year. The focus of the party was to begin planning and arranging for our dynamic Spring Salon 2015 at White's Gallery in April 2015. We will need hosts, party hats, phenomenal art, wine and song.

January 8, 2015, Thursday, is our regular meeting at Citibank Community Room. We are featuring an artist who paints with WINE. Steve Seizo Nakamura, Artist, and wine consultant, will show us his techniques for painting with wine and what wines work best for art. Mr. Nakamura began experimenting with the possibility of "Fine Wine" as a painting medium since he was drawn to the brilliant colors of this unusual organic staining compound. He explored the flavors of wine through its pigmentation and concentration and his paintings are alive with all of the subtle variations that you would expect from the uniqueness of each grape varietal, and style of wine-making.

Steven studied fine art and illustration at CSUN and has recently opened his new art studio "Ancient Vine Studio" in Long Beach. He also conducts Wine Tastings. This

meeting will be a real corker.

January 16, 2105 is our trip to the Los Angeles Art Show at the LA Convention Center. You do not want to miss this day of art, art, and more art. The Fine Art Dealers Association puts on this event each year and 2015 is going to be full of exciting new artists, dealers and one of our newest member, Narine Isajanyan will be at booth 928. Look for an announcement in this newsletter from Araks with all the details of this outing.

This should be a wonderful year, full of art and the fun of creating it together.
