President's Message

Teammates,

The November meeting demonstrator, Danielle Eubanks, was amazing. She showed us a slide show of her expeditions in the Middle east and Africa and also her expedition in the arctic. These were photos of expedition life on the replica of a sixty-foot ancient Phoenician sailing ship that sailed around Africa to England. Also showed photos of her arctic expedition on a 120 foot ship. And if that were not enough she demonstrated her painting technique on a painting of an ocean ice field. There was a big turnout and a lot of questions for this amazing lady. Diane Carter won the raffle of a genuine Danielle Eubanks painting.

At our December meeting we will have a group participation painting event and a gift exchange. Bring a gift of \$10 or less—and of course some food for the buffet.

The December meeting will be my last as President of GAA. I've had a wonderful four years at the helm and now it is time for a new and steadier hand to take it. And you can't find a steadier hand in Glendale than Jennifer Bentson—our President in Waiting who was voted in at the last board meeting. Welcome Aboard Jennifer!

For me the last four years were very rewarding. I've met a lot of interesting artists and art-involved people in our fair city. Also watched as some of our members let their talents bloom and become much better artists.

I plan to stay active in GAA and on the board—which is a group of fun people who know how to make things happen. I am thinking about updating the by-laws, which haven't been updated since 1973. This will give me a chance to pass on lessons learned from my time with GAA and hopefully make it a more efficient organization .

Our Incoming President: Jennifer Bentson

This is such an honor to be nominated and voted in as your President for 2015. I look forward to getting to know everyone better. I have been the President of the San Fernando Valley Art Club (SVAC) for the last 2 years. During this time, I have also attended board meetings and helped out with Glendale Art Association. Since SFVAC meets in Encino, and I live in Glendale, I am looking forward to serving a little closer to home.

I want to introduce myself with some interesting facts. I was born in Glendale and have lived here most of my life. I have had experience with other organizations in Glendale; The Chevy Chase Garden Club, The Glendale Symphony, The Glendale Rose Float Association, The Women's Resource Center, YWCA, just to name a few. I graduated from Crescenta Valley High School. I am an Aires, born in the year of the Dragon; favorite colors are red, orange and purple. I love to play Scrabble. Aside from all of that, Art is my full time passion, along with managing the family properties. I am looking forward to painting with everyone in the areas in and around Glendale. Paint outs are a great way to experience our beautiful community and get to know each other better.

As an artist, I love watercolors. Last year, I helped coordinate a visit from China of two artists. During our exchange, they invited SFVAC to China for the Moon Festival this year. Four artists traveled in Sept. 2014 to Hong Kong, Xiamen, Guilin, and Yangshou with paint brushes and open arms. This was a memorable trip for everyone. During our trip we sojourned into Chinese Brush Painting. Expanding my art in Glendale, I am migrating to oils as a new venture. Aren't artists creative and always trying something new? Speaking of nudes, I do attend many open studios in the area and sketch nudes. Also, I started a series of paintings about 3 years ago on significant oak trees in California. So far, I have 27 paintings in this series with stories to match. My adventures with oak trees has been a wonderful ride.

Although I hold the title of President, I see the members of GAA as the real drivers of the organization. I can't wait to hear your ideas and thoughts about the direction of GAA. Please feel free to email me at bentson9@gmail.com. I look forward to a fabulous 2015!
